[Boeing.com/careers](https://www.boeing.com/careers)

Boeing is an Equal Opportunity Employer. Employment decisions are made without regard to race, color, religion, national origin, gender, sexual orientation, gender identity, age, physical or mental disability, genetic factors, military/veteran status or other characteristics protected by law.

CAREER OPPORTUNITIES

Boeing Defense, Space & Security (BDS) in **St. Louis/Berkeley, MO** has a number of openings for Assembly Mechanics supporting multiple programs.

Assembly Mechanic encompasses all of the duties of the following job classifications: Inspector Assembly, Sub-Assembly Precision, Mechanic Aircraft Production, Mechanic Electrical and Radio, Sheet Metal Assembler and Riveter.

Preferred

- Aircraft assembly experience
- Currently hold or have held a security clearance in the past 24 months

Also Considered

- Assembly experience
- Experience with sheet metal assemblies, drilling, countersinking, riveting, and fastener installation

Typical Education / Experience

High school graduate or GED. Prefer a minimum of one (1) or more years of related work experience.

Key Benefits

The Boeing Company also provides eligible employees with an opportunity to enroll in a variety of benefit programs, generally including health insurance, flexible spending accounts, health savings accounts, retirement savings plans, life and disability insurance programs, and a number of programs that provide for both paid and unpaid time away from work. Relocation

This position offers relocation based on candidate eligibility

Additional Information

- The selected candidate must be able to work any shift, as assigned.
- This is an hourly position governed by the IAM Collective Bargaining agreement.
- New Hires, as well as employees who transfer from non-union positions, may be required to attend some type of training upon their start. Once any required training has been completed all new employees will be considered on probation for a period of one hundred twenty (120) calendar days. Continued employment is contingent upon successful completion of any required training and the probationary period.

 **BOEING** **VETERANS MAKE US BETTER**

Join our MVP Network

WELCOME TO BOEING'S MILITARY VETERAN COMMUNITY

At Boeing, not only do we deliver innovative and agile equipment, capability and services to our nation's military, we are committed to making sure that our military forces continue to have the advantage after their service is done.

We understand that transitioning from Military to Civilian life is challenging. The Boeing Military and Veterans Program (MVP) team can help.

Why join the Boeing family? You can work with advanced technologies that make the world a better place. We offer a wide range of benefits, including market-leading health and retirement plans, generous tuition assistance, paid time off, and programs that support you, your family and your community.

We're a diverse team that is united in pushing the boundaries of imagination and excellence. Additionally, Veterans make up nearly 15% of our U.S. Workforce; since 2010 we have hired more than 13,500 Veterans. You will be in great company.

As a veteran/military family member, we would like to communicate with you directly about career opportunities and the support needed to join the Boeing family!
