

Greetings Service Providers and Military Spouses,

The Spouse Education and Career Opportunities program is excited to announce the new **MSEP Job Search Navigator** service! This value-added service is intended to reduce the stress a military spouse may experience when searching for employment opportunities from the more than 440 MSEP employers. The JSN program is not a guarantee of employment or job placement, but is designed to assist spouses in identifying available job opportunities provided by MSEP employers that align with a spouse's background and career interests.

This innovative referral service is offered to military spouses once they have completed a series of designated career support services with a SECO career coach. The **MSEP Job Search Navigator** will then identify potential matches between the spouse and MSEP employers based on the spouse's geographic location, education, experience and career goals and share a list of customized job leads to assist them in their search for employment.

Military Spouses – Contact a SECO career coach today to take advantage of this invaluable new service! The SECO Career Center is available to assist you at 1-800-342-9647 Monday through Friday from 7 a.m. to 10 p.m. ET, and Saturday from 10 a.m. to 5 p.m. ET.

Service Providers – Please contact your MSEP specialist if you have questions or would like more information about the service.

We are very excited about this program and look forward to it assisting military spouses in achieving their career goals.

Respectfully,

The Military Spouse Employment Partnership
