POC: Captain Samantha Norville, DSN 724-5380, Commercial (309) 633-5380, samantha.norville@us.af.mil

POSITION INFORMATION:

- The core of Logistics Readiness Officer (LRO) human capital development is officership and leadership with logistics competencies aligned and expanded upon throughout a career.
- The new competency-based model in accordance with earned proficiency levels (basic/intermediate/advanced/expert) will enable LROs to think critically and drive effective decision-making for all domains among the conflict and competition.
- Directs peacetime, contingency, and wartime logistics planning operations including deployment command and control, Logistics Readiness Centers, Combat Support Center activities, deployment, bed-down, redeployment activities, War Reserve Material (WRM) management, support agreement management, Time-phased Force Deployment Data (TPFDD) and Unit Type Codes (UTCs). Within Logistics planning, the sub-competency Plan and Support Program exists.
- Identifies and coordinates requirements and planning for joint supply activities throughout the DoD and manages key global suppliers to support Combatant Commander requirements.
- Responsible for logistics pipeline management and time-sensitive delivery of material in support of peacetime, contingency, and wartime operations.
- Lead through problem-solving, critical thinking, appropriate decision-making, and integration of teams.
